SILENT AUCTION BASKETS

4-H Clubs are putting together Silent Auction baskets that fair goers will be able to bid on throughout the week of fair in the Junior Fair building.

4-H advisors can drop off baskets on Saturday, July 29 or Sunday, July 30. Someone will be in the Junior Fair building to take the baskets and set them up for display.

JUNIOR FAIR BOOTH DISPLAYS

4-H Clubs are encouraged to set up a Junior Fair booth display in the Junior Fair building. This is a great opportunity for you to showcase all the great things your 4-H Club has done through out the year.

We do ask that 4-H Clubs sign up to help with the 4-H display table in the junior fair building passing out information about 4-H to fairgoers and to help with activities that will be set up in the building. The sign up sheet will be available for you to sign up at during booth set up days (Saturday and Sunday before fair). The registration form can be found in the Junior

Fair premium book. Registration forms are due July 15th to the Columbiana County Fair office.

4-H ALUMNI

Calling all 4-H Alumni...

We are looking for 4-H Alumni to help Raise a Hand for the 4-H Program. Come be apart of our 4-H booth display this year. We will have hands for Alumni to write their names and 4-H Club they belonged to on the hands that will be put up in a Booth in the Junior Fair building. The "Hands" will be available at the OSU Extension office leading up to fair, in the Junior Fair Building the week of fair and in the barns .Lets see if we can overfill a booth!!!

4-H gives kids the opportunity to learn by doing, grow from failure and develop the skills they need to handle what life throws their way. No one knows this better than you, our alumni, who have experienced our programs firsthand. We need your help to bring the same experience and skills to youth today. Show your 4-H pride and help bring the same opportunities to kids in our community. To learn more about how you can help give back call the OSU Extension office at 330-424-7291.

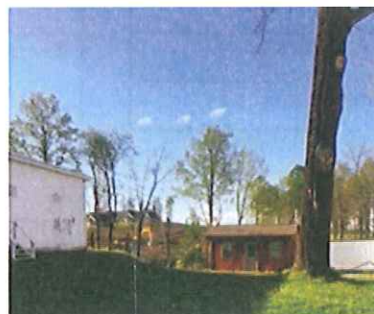

FAIR ADMINISTRATION BUILDING

The fair office at the Columbiana County Fairgrounds has moved. The building formerly known as the Junior Fair Livestock Sales Office was recently renovated. The new name will be the "Fair Administration Building". The renovations inside are complete and now house the treasurer and secretary for the fair and the front office. The Junior Fair will continue to also work out of this building. A new meeting room with restrooms and a kitchenette will be added on to the building soon. This meeting room will be used by Senior Fair board for all of their meetings; it will be set up on Monday of fair to sell wristbands and on Thursday and Saturday for the livestock sales; and the meeting room will be available for use by the committees and Junior Fair as needed.

Junior Fair Participants will be able to pick up their Junior Fair premium money at the end of Fair in this building.

FAIR WRISTBANDS When you are picking up your fair wristbands, be sure to know what 4-H Club that you are in. The list provided to the fair office is by 4-H Club.

OSU EXTENSION BUILDING DURING FAIR

The OSU Extension building for the week of fair has been moved from next to the Sales office to a new location next to the Junior Fair Building. Come and visit us and see our daily activities for the youth during the week of fair. We look forward to seeing you!

TEEN COUNCIL NEWS ...

The Columbiana County 4-H Teen Council has had a busy couple of months in preparation for 4-H Camp Whitewood teamed with Lake County and with all the other programs that they are setting up. Camp Whitewood was held June 11-17 and was a major success. Many of our Teen Council members were counselors for the week. Camp Whitewood was a blast and all the campers went home happy! The week consisted of a plethora of activities including swimming, boating, shooting sports, nature and crafts. Every night came to a peaceful end with vespers and a relaxing quiet walk back to cabins. The Teen Council members are already back at work in preparations to make next year's camp even more adventurous. Along with camp they have been hard at work with Overdose awareness and Eating Healthy in our community. Our main goal is to show students at a young age that there is so much more you can be doing than drugs. 4H is one of those things that can help get them involved. With fair week fast approaching Teen Council has their hands full with many presentations and other events planned to make this summer full of 4H fun!

Our Teen Council Members have hit the Ground running!!! Members have been involved in many activities that help enhance their leadership skills. They have had the opportunities to participate in events that include public speaking, mentoring younger youth, attending leadership trainings, helping facilitate county events, meeting public officials, and working as a team along with youth from other states and counties to create and facilitate fun 4-H programming. We have accomplished so much and the year is only half way through! We have a lot planned for this summer. Some of our youth will be observing County Commissioner's meeting, preparing materials for Fair Booth displays, and taking part in activities, events, and programming such as Day Camps, Growing healthy at the Fair, Project Fair, and Knowledge Day.
