Columbiana County

May/June 2022

NOTE FROM THE EDUCATOR...

It is one of my favorite times of the year; flowers are starting to bloom, grass is turning green, the sun is shining and there are kids outside playing! I enjoy daily the photos shared on social media of our county 4-H youth working their animals and sharing their still project updates. I look forward to seeing all these projects in a few short months at exhibition through Project Fair, Project Completion and the Jr Fair. Now is the time to make sure you know what is expected and required for each project. There are a lot of resources available to youth the help in completing their projects. Please feel free to reach out to advisors or the Extension Office if you have any questions.

As always, we want to make sure our clubs have enough support for their youth, I encourage all volunteers and families to continue to reach out with any questions or concerns as we work through the new year. I am happy to offer suggestions for programming as well as fundraising ideas to any club. Reach out by calling 330-870-1165 or emailing Dimmerling.13@osu.edu.

Jr Leaders-Leading the Way!

The Jr. Leaders are popping up everywhere! They have been helping to promote Jr Leaders and the 4-H program by attending community events. Thank you to the members who attend the Be a Light Event in Salem, Kids Farm Safety Day and the upcoming Bee City event!

On May 23, members will be placing flags on the headstones of Veterans in honor of their service and Memorial Day. All youth ages 14-18 are welcome to help. We will be meeting in the fair parking lot at the Lee St entrance.

All youth ages 14-18 years old are welcome to attend! Meetings are the 4th Monday of the month (except December) at 7pm in the Sales Office on the fairgrounds. Work together with other youth from all over the county to build leadership skills and complete community service projects. This year members will be learning through materials by Sean Covey and his book "The 7 Habits of Highly Effective Teens".
