

2020 4-H Livestock Project Completion

The 4-H Livestock Project Completion opportunity will offer a way for youth to share their knowledge, goals, and experiences from the 2020 4-H program year.

Steps to Complete:

1. **Create** a PowerPoint or word document that includes the following information:
 - a. **Introduction:** Member name, 4-H age (as of Jan.1), club name, number of years in 4-H, and list of projects taken. Include picture of member with projects. List specie chosen for project focus
 - b. **Topic of Interest:** Highlight (1) selected Topic of Interest from your project book and write a short statement that describes it. Depending on your age and skill level, your topic can be simple or complex. (If you are taking multiple livestock projects chose only (1) for completion on this section.
 - c. **Learning Activity:** Select (1) age appropriate opportunity to explore from an area that interests you from the list provided in the project book. Ideas are also available online at **ohio4h.org/learningactivities**.
 - d. **Leadership and Citizenship Activities:** Select (2) activities from the list provided in the project book and describe your involvement in each activity.
 - e. **Good Production Practices:** Select (1) area of interest below and share best practice information learned. Information can be shared though pictures, drawings, and or explanations.
 - *Medication Label/ Treatment Record
 - * Feed Tag/Feed Efficiency
 - *Drug Use Notification Form /Drug Residue
 - f. **4-H Highlight:** Share your favorite 4-H Highlight from all of your 4-H experiences. Include pictures if possible.
2. **Submit** completed document to Audrey Dimmerling-4-H Educator at Dimmerling.13@osu.edu by **JULY 21th**.
