

4-H PROGRAM ADVISORY FALL MUM SALE

The 4-H Program Advisory Committee (PAC) is hosting a Fall Mum Fundraiser. The 4-H PAC plays an important role in the county 4-H program. Together the committee helps to promote 4-H membership, assist in educational events, plans future youth opportunities, and hosts fundraisers. The money raised will help support educational opportunities, book scholarships, newsletter communications, and Project Fair ribbons and awards. The PAC would greatly appreciate the support from our clubs, families, and community to help make this a success. All funds raised from the Fall Mum Fundraiser will directly support the 4-H program. Please contact Paula Bardo with any questions or concerns at 330-727-6320.
