Holiday Containers

Join us to a look at turning your pots into holiday masterpieces! We’ll cover form and style, along with finding and using several kinds of greenery, berries and other cuttings from your landscape. Go beyond the filler, thriller and spiller to turn your pots and planters into stunning displays for the holiday season. **NOTE:** Bring up to a 12” diameter pot to fill during the class to get a leg up on your holiday designs. Leave soil in pot. Cut off plants, do not dig. This will help the design stay in place.
